A still from the movie 'The Italian Job' showing Gene Hackman as Charlie Wilson and Goldie Hawn as Kate Wilson in their car. The car is dark and appears to be in a tunnel or at night. Gene Hackman is on the left, looking towards the camera with a slight smirk. Goldie Hawn is on the right, wearing a checkered hat and a green top, looking towards the camera with a surprised expression. The car's interior is visible, including the steering wheel and dashboard.

you can hear the fret noises on the guitar. i love how the song uses chords, then at the end you ca
